YOUR OPINION ON THE TRIP

- This experience was very good and funny. My English has improved. I enjoyed all the school activities and my staying in a foreign family for six days.

- I liked this experience as I was in contact with a foreign family. It has been very exciting to share ideas with a foreign boy and come in contact with the French culture.
- I think it's a fantastic experience. I would like to repeat it in the future.
- I liked this experience as my family was very kind with me. I met a lot of new friends thanks to Gabriel. I improved my English. I did a lot of cultural visits with the French teachers. I suggest to do this experience.
- I think this experience is very useful because we know another way of living. I also worked at school with foreign students in English and this made me understand the importance of the English language.
