

Erasmus+

Enriching lives, opening minds.

The image shows the exterior of a school building with a light brown facade and large windows. A blue sign with white text is mounted on a metal pole in front of the building. The sign features a small crest at the top center. The building has a central entrance with a white door and a sign above it. There are two street lamps on poles in front of the building, and a small tree to the right. The sky is overcast.
